This contract may be extended by the SFA and the VENDOR under the rules and regulations prescribed by the Commissioner of Education; however, pursuant to federal regulations CFR Part 210.16 (d), the contract between a school food authority and food service management company shall be of a duration of no longer than (1) one year; with the option to renew/extend annually with a maximum of (4) four years. Such renewals/extensions shall be executed prior to termination of the preceding contract period and shall not extend the original contract period beyond five years.

The SFA or the VENDOR may terminate the contract, for cause, by giving sixty (60) days written notice, except: If the VENDOR makes a general assignment for the benefit of creditors, or if a receiver is appointed on account of bidders insolvency. If anticipated revenues or commodity assistance from federal and State reimbursements are reduced and the VENDOR submits in writing a proposal of recommended changes necessary to maintain program solvency yet the SFA repeatedly refuses or fails to take appropriate action to maintain program solvency within thirty (30) days of receipt of said notice, the VENDOR may, without prejudice and within seven (7) days written notice, terminate the contract.

The SFA or VENDOR may terminate the contract, for convenience, by giving sixty (60) days advance written notice to the other party. Such notice shall set forth with sufficient specificity such party's reasons for contemplating termination. A VENDOR facilitating the termination for convenience clause must provide adequate advance notice, to the SFA that would permit the SFA sufficient time to arrange alternate food service.

Neither the VENDOR nor the SFA shall be responsible for any losses resulting if the fulfillment of the terms of the contract shall be delayed or prevented by wars, acts of public enemies, strikes, fires, floods, acts of God, or for any acts not within the control of either the VENDOR or the SFA, respectively, and which by the exercise of due diligence it is unable to prevent.

Contract Cost Adjustment: The SFA may negotiate at the end of each one year contract period for a cost increase not to exceed the annual percentage increase of the Consumer Price Index for all Urban Consumers for the preceding year, provided it has been satisfactorily established by the VENDOR that there has been at least an equivalent increase in the amount of its cost of operation during the period of the contract.

The VENDOR shall comply with the Buy American Provision, including but not limited to 7 CFR 210.21, 7 CFR Part 200, and 7 CFR Part 250 for contracts that involve the purchase of food. The SFA reserves the right to review VENDOR purchase records to ensure compliance with the Buy American provision. The VENDOR shall provide Nutrition Fact labels and any other documentation requested by the SFA to ensure compliance with Buy American.

### **Buy American (must be included in final contract)**

Section 104(d) amended section 12 of the NSLA (42 U.S.C. 1760) to require SFAs participating in the NSLP and SBP to purchase for those programs, to the maximum extent practicable, domestic commodities or products. For purposes of this provision, the term "domestic food commodity or product" means agricultural commodities produced in the U.S. and food products processed in the U.S. substantially using agricultural commodities that are produced in the U.S. (over 51 percent of the processed food comes from American produced products). The VENDOR shall certify the percentage of U.S. content in the products supplied to the SFA. The SFA reserves the right to review vendor purchase records to ensure compliance with Buy American provision. The VENDOR shall comply with the Buy American provision for contracts that involved the purchase of food as required by Title 7 CFR, part 210.21(d).

S. substantially (51 percent or more by weight or volume) using agricultural commodities that are produced in the U. S. as provided in 7 CFR, sections 210.21(d) and 220.16(d). The VENDOR must:

1. **Submit certification statements for all processed agricultural products.** The VENDOR must provide written documentation to the SFA at the time of delivery for each processed agricultural product certifying that the food product was processed 100 percent domestically and that the percentage of domestic content in the food component of the processed food product is over 51 percent, by weight or volume.

OR:

2. **Request SFA approval prior to delivering a nondomestic agricultural commodity or product.** If the VENDOR cannot comply with #1 above, the VENDOR must notify the SFA in writing 10 days prior to delivering a nondomestic agricultural commodity or product. This written notification must include the following:
  - a) Whether the request to deliver a nondomestic food is because the product is not produced or manufactured domestically in sufficient and reasonably available quantities of a satisfactory quality, or competitive bids reveal the costs of a domestic product are significantly higher than the nondomestic product
  - b) The pricing of both domestic and nondomestic products and/or availability data to justify the use of one of the two allowable exceptions
